HOROSCOPES

If you were born between the 23rd of October and the 21st of November, November this year will be a good month, positive in many regards and helpful towards both spiritual and creative development. Overall, however, there will be multiples of positivity when compared of negativity. It might be better if you slowed down a bit. You just have to be attentive to yourself and to those around you. Scorpios are known for their energy but you can't carry on draining your energy supplies all the time. Sometimes you just need to give yourself a break to replenish energy reserves.

INTRODUCING.....MARGARET

Please help us in welcoming Margaret Gonsalves, our new Culinary Services Manager. She was born in Guyana, South America. Margaret has worked in Long Term Care over the last 11 years. Prior to that she worked in a hospital setting in a clinical role as a Nutrition Tech and also expanded her knowledge into Environmental. That gave her the opportunity to work as a support services manager and as a kitchen manager. Margaret has said she is excited to embrace this new opportunity to gain more experience in this unique setting at Richview, and hope in the lives of the residents here at Richview.

REMEMBRANCE DAY

We will be holding a Remembrance Day Commemoration on Tuesday November 11th at 10:30 in the Dufferin Room. This year marks the 100th anniversary of the beginning of WWI and the 75th anniversary of the beginning of WWII.

To honour those who have served and sacrificed for our country, we will be presenting a video. At 11:11AM, we will pause for a moment of silence, and conclude with a recitation of "Flanders Field" and the singing of "O Canada". Everyone is welcome.

INTRODUCING.....SABRINA & LAURA

The Life Enrichment Team is growing! Sabrina Rieger and Laura Denardi have come on board and we could not be more excited to welcome these wonderful ladies to Richview Manor. Sabrina comes to us with a background in nursing. She is a Registered Practical Nurse and has worked in several areas including Complex Continuing Care, Palliative Care and Rehabilitation. However, she went back to school for a change in career and got her diploma as a Social Service Worker in the Gerontology field from Seneca College. Sabrina thanks everyone for welcoming her to the team here at Richview Manor and looks forward to getting to know everyone.

Laura loves helping others and enjoys making a difference in someone's life, even if it is only a small impact. For this reason she became a graduate of Social Services. She is now a certified Social Service Worker. She has been working here for about a month and already feels close with the residents!! She has really been enjoying her time here at Richview Manor!
