HOROSCOPE

If you were born between April 20th and May 20th, you were born under the sign of the Taurus. May will bring new opportunities for the understanding of gathered individual potential. May is an appropriate 30 days for self-affirmation, for the understanding of your own desires. But it is appropriate that these desires are not run reverse to the real possibilities! Domestic concerns and emotional happiness will be predominant over finance and professional matters. Your efforts in life will be fully encouraged by your loved ones and there will be harmony in family relationships.

Film Screening

On Wednesday May 2nd at 2:30pm, filmmaker Sean Cisterna will be coming to Richview Manor to present Kiss and Cry. Kiss and Cry is the remarkable true story about Carley Allison. The film follows Carley as her life takes a drastic turn with her diagnosis of an exceptionally rare cancer. The promising young figure skater and singer continues to live her life and inspires others in her time of crisis. We will be serving popcorn and refreshments in the Dufferin Room and hope you will join us in watching this inspiring true story.

NURSES WEEK

In our home, we come across many nurses. From our dedicated ones on staff to our residents who for decades served to help the sick, we owe nurses so much for their selflessness and devotion to making a difference in the lives of so many. Richview Manor wants to pay a special acknowledgment to these health care providers. It's National Nurses Week from May 7th until 13th, the latter being the birth date of Florence Nightingale. Thank you all for your service and devotion in a field that makes the lives of the people you touch better.
