HOROSCOPE

If you were born between August 23rd and September 22nd, you were born under the sign of the Virgo. Be prepared for something extra-special, maybe even miraculous, to come your way. An opportunity you have been waiting for isn't that far away. What do you desire most? What would really enhance your life? Concentrate, figure it out, and focus. Release doubt, and replace that feeling with hope. Smile! This is going to be a very special and exciting month for you!

FIRE EVACUATION

The Retirement Homes Act requires each home to conduct a planned evacuation of the Retirement Home at least once every two years. The purpose of the planned evacuation is to support the ability of the home to safely remove its residents in an emergency situation. A planned evacuation should be conducted in a way that reflects a real emergency situation as closely as possible, while considering resident safety. We will be asking all Residents on Independent Living Floors if they wish to participate in this planned evacuation. We will update residents as to when the evacuation training will take place. The evacuation date will be scheduled for **October 2nd at 10am**. Families will also be invited and more information will follow shortly.
